Drawings

1. The informal drawings filed 9/15/2003 are not of sufficient quality to permit examination; as cited in the Last Office Action. Since the originally filed drawings (4/27/2001) have been previously approved, by the Examiner, the original figures remain the Formal Drawings of Record, and will be the figures printed in the forthcoming patent. Consequently, the informal drawings filed 9/15/2003 are not approved and will not be included in the printed patent.
